

Travel

- ☉ Each square takes a day, can't go diagonally.
- ☉ Roll encounters on encounter wheel until full rotation.
- ☉ Resting happens at the edge of a square.
- ☉ Can wander around square for a day, then go back to edge to rest.
- ☉ Once all Revives are used, immediately travel back to last Centre.

Trainer Battles

Hazards:

- ☉ Forest: 1d6 shrubs
- ☉ Mountain: 1d4 rocks
- ☉ Caves: the arena is shrouded in darkness + 1d4 rocks
- ☉ Lakes / The Sea: 1d8 water tiles (the battles are done on islands)

Vs 1 trainer: trainer sends out 1 Pokémon per Trainer.

Vs team: each side picks 6 Pokémon total, divided equally.

Those who initiate battle send out first, go last in turn order on tie.

Once a Pokémon faints, its owner sends out a new Pokémon.

If they can't, another team member can send out a Pokémon instead.

Battle is over once only 1 Pokémon remaining. On a tie: nobody wins.

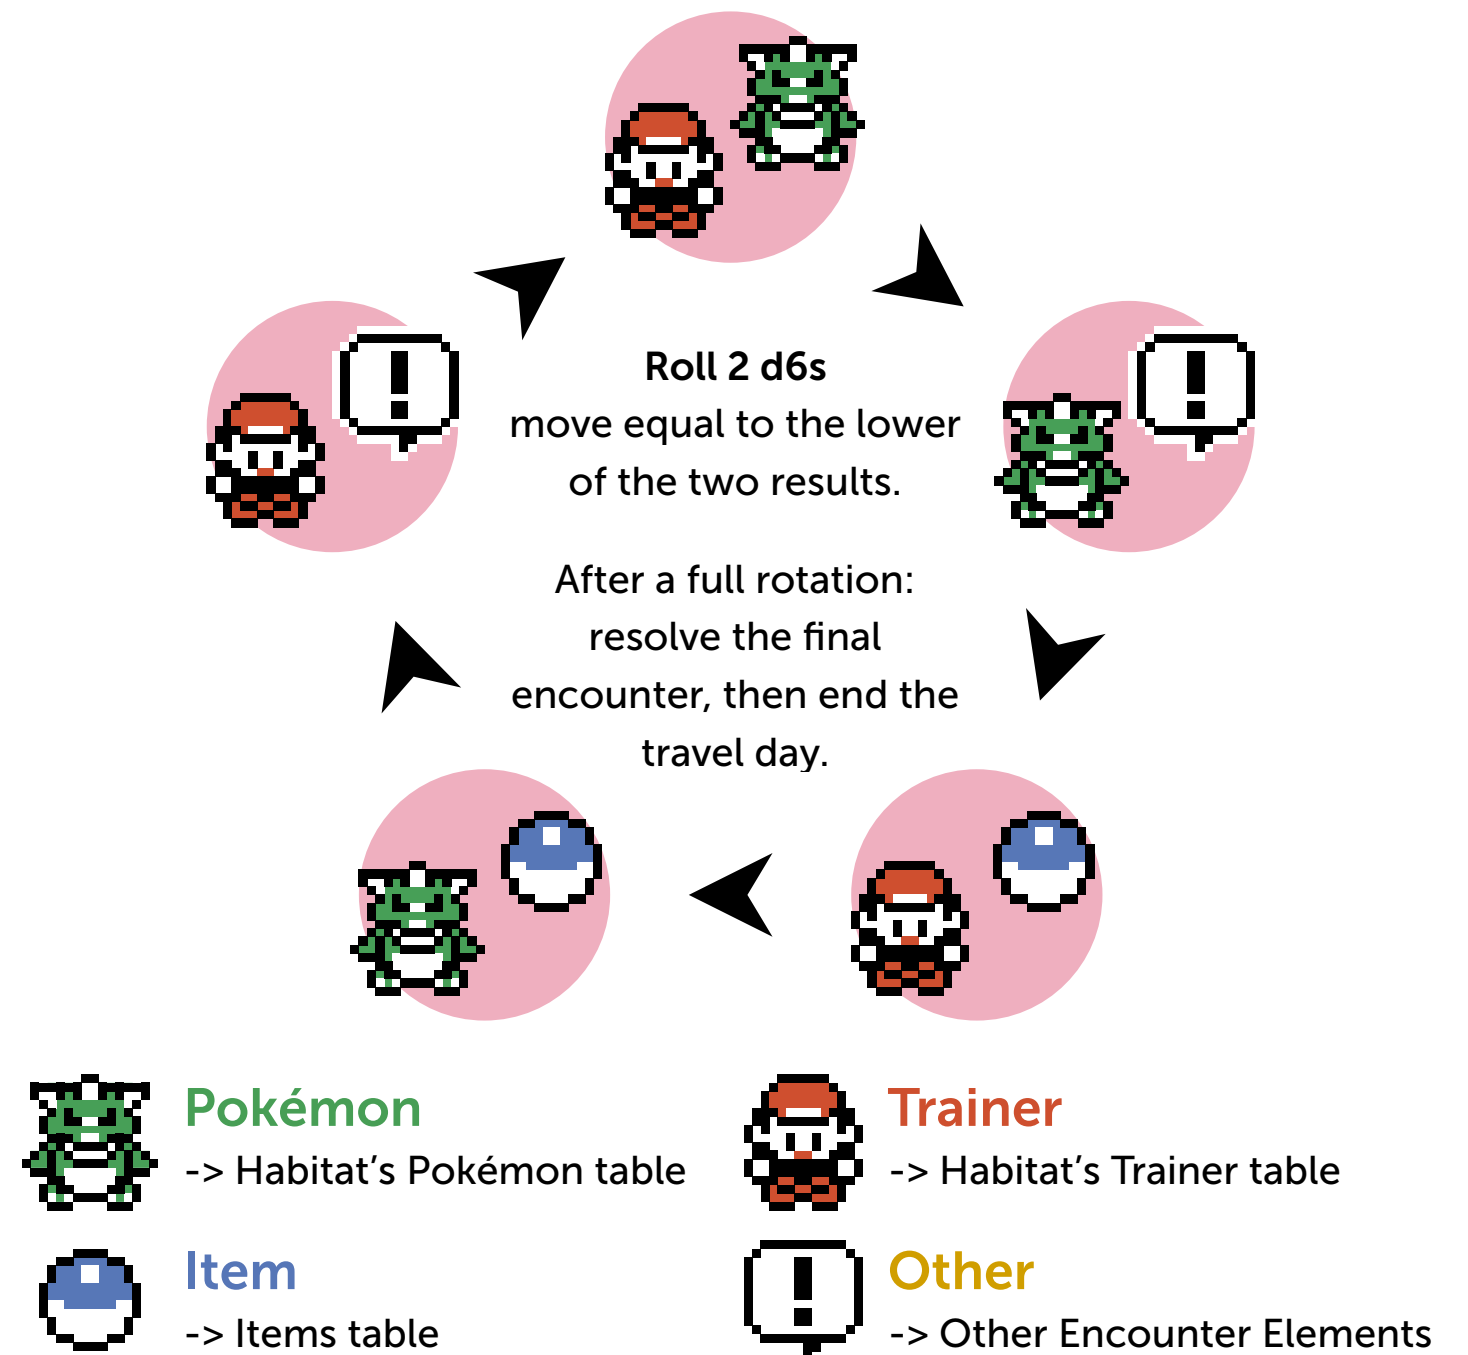

Wager: ₣1 per Pokémon times difficulty.

Can also battle for item or anything else relevant to the encounter.

Gyms

Can only battle certain Gyms based on badges:

- ☉ Low-rank (1 on map): at most 1 badge (0 stars).
- ☉ Medium-rank (2 on map) : 2, 3, or 4 badges (1 star).
- ☉ High-rank (3 on map) : 5, 6 or 7 badges (2 stars).

Suggested NPCs

This table is from the Pocket Monster Adventures World Guide. It is included here to fill up an otherwise empty page. Each result has a list of potential NPC names, a list of possible associated Pokémon, and a character trait.

The list is alphabetical, so if you simply write down an NPC's name, you should be able to quickly find it again.
